OBJECTIVE

A passionate and motivated with a strong interest in building modern, responsive web applications. Currently a second-year Computer Science student at Zagazig University and accepted into the Digital Egypt Pioneers Initiative (DEPI) in the React Frontend track. Eager to enhance technical skills, contribute to real-world projects, and grow within the frontend development field.

EDUCATION

Faculty Of Computers & Informatics, CS Department, Zagazig University 2024 – Expected Graduation: 2028
GPA: 3.9 / 4.0 *Bachelor of Computer Science*

INTERNSHIPS / TRAINING

Frontend Development Trainee – Digital Egypt Pioneers Initiative (DEPI) 2025 – Present
React Frontend Track

- Completed training in Frontend Development covering HTML, CSS, and JavaScript fundamentals.
- Developed CRUD-based web applications including a mini E-Commerce Products management system.
- Implemented authentication features such as Login and Register functionality.
- Built responsive user interfaces using modern frontend practices.
- Created a personal portfolio project as part of the DEPI training program.

PROJECTS

Contacts Management Console App 2025
C++, OOP

- Developed a console application to manage contacts including names, phone numbers, and addresses.
- Implemented basic CRUD operations (Create, Read, Update, Delete) using arrays and classes.
- Practiced object-oriented programming principles to organize and structure data efficiently.
- Focused on user-friendly input/output and data validation for reliable usage.

Personal Portfolio Website 2025
HTML, CSS, JavaScript

- Designed and developed a personal portfolio website to showcase projects and technical skills.
- Built responsive layouts using modern HTML and CSS techniques.
- Implemented interactive elements using JavaScript to improve user experience.
- Organized sections for projects, skills, and contact information.

SKILLS

Technical Skills: C#, C++, SQL, HTML, CSS, JavaScript, React, Git, GitHub, Linux

Concepts: OOP, Data Structures, Algorithms, CRUD Operations, Authentication (Login / Register), Database Design, Responsive UI Design

Communication Skills: Teamwork, Communication, Problem Solving, Time Management, Adaptability

COURSES & WORKSHOPS

- HTML, CSS, and JavaScript – DEPI

STUDENT ACTIVITIES

Member – Zag Eng Family, Zagazig University 2025 – Present
Web Development Committee

- Participating in student-led technical activities and workshops focused on web development.
- Collaborating with peers to build small projects and enhance frontend/backend skills.
- Currently learning and practicing .NET Core as part of committee projects.
